

## Expressing judgement

**Modal verbs and expressions are particularly useful for expressing judgements in your essay.**

Depending on the degree of certainty, you can use verbs with High, Medium or Low modality, as shown in the picture.

However, as well as verbs, you can also employ:

	Examples
NOUNS	possibility, probability, obligation, requirement, mandate
ADJECTIVES	possible, probable, obligatory, required, mandatory
ADVERBS	definitely, certainly, clearly, possibly, probably, (un)likely, perhaps, maybe, never, always
